CHEMUK 2024

Trade Fair – Birmingham, United Kingdom

Edited by on 4. Dec. 2023

"The UK's largest dedicated trade show for the Chemical, Laboratory & Process industries!"

CHEMUK is now established as the UK's annual Chemical, Laboratory & Process Industries Supply Chain Expo & Speaker Programme. CHEMUK 2024 will showcase over 500 exhibitors across three show zones; 'The Chemical Industries Supply Chain Zone', 'CHEMLAB – Laboratory & Innovation Zone', and 'The Chemical, Process & Plant Engineering & Safety Zone'.

The CHEMUK 2-day speaker programme will host some 100+ expert speakers discussing the big challenges and opportunities affecting the UK's chemical & chemical product industries.
