"International Trade Show Exclusively for the Food and Beverage Sector"

Anuga Select Brazil is the prime business-generating platform. When it comes to product launches, both domestic and international, we are the most comprehensive showcase for retail, food service networks, out-of-home dining, and hospitality.

In one single place, A&B entrepreneurs and professionals have the opportunity to: assess new suppliers, engage in attractions, attend expert presentations, and explore major global trends in Food and Beverages. A space for business expansion and increased competitiveness.
