"Where the global pet food industry does business"

The Petfood Forum group of conferences and exhibitions are unique and exclusive events serving the global pet food manufacturing industry. They deliver the opportunity to learn the latest research and innovative information on pet nutrition, global pet food market growth, pet food safety, processing, packaging and much more – all from leading, recognized pet food industry experts.

Petfood Forum provides the ideal opportunity for pet food professionals from around the world to network, exchange ideas and do business with one another and with the industry's leading pet food manufacturers and suppliers. Each conference and hands-on workshop offers pet food industry members a new agenda, speaker lineup and learning takeaways to help improve your business.
