Info.	Project description	Customer
4051	Pneumatic transport systems for bypass-dust including a truck loading station	HeidelbergCement AG Cement Plant Lengfurt (Germany)
3569	Restauration of 10 cement silos and renovation of the cement loading facilities for trucks and ships	HeidelbergCement AG Cement Plant Lengfurt (Germany)
3560	Plant development and structural designs for the Warta cement plant	Cementownia Warta S.A. (Poland)
3528	Silo for hydrated lime (90 to) for the rotary kiln 5	Rüdersdorfer Zement GmbH (Germany)
3524	Extension of the central workshop	HeidelbergCement AG Cement Plant Lengfurt (Germany)
3518	Restauration of the raw material silo 6	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3510	New rotor weighing-machine for the coal-plant	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3487	New raw meal silo, 1,300 to	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3486	Restauration of the outlet of the raw material silo II	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3471	New coal batching plant for the rotary kiln 4	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3467	Extension of the preheater tower	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3461	Plant development and structural designs for the cement plant in Ladže	Berger Holding GmbH Cement Plant Ladže (Slovakia)
3455	Restauration of the cement silos 7-14 and transport systems	HeidelbergCement AG Cement Plant Lengfurt (Germany)
3439	New separator for the cement mill 9	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3438	New cement cooler for the cement mill 7-10	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3434	Restauration of the preheater tower	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3428	Restauration of the cement silo group III	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3427	Restauration of the cement silo group I	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3416	New group of silos for additives in the old preheater tower IV and V	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)

Info.	Project description	Customer
3380	Extension of the development center	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3363	New feeding station in the preheater tower	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3339	Extension of the plaster kiln	Mortar Plant Lochau GmbH (Germany)
3338	New workshop for containers including depot and offices	E.Schwenk Zementwerke KG Plant Gräfenberg (Germany)
3326	Restauration of the conditioning tower and electrostatic precipitator	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3305	Plant development and building permission for a new production plant for insulating materials	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3288	New platform in the existing preheater tower	Karsdorfer Zement GmbH (Germany)
3220	New silo for paper ash	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3218	Extension of the storage area for old tires	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3215	New filling and service station at the quarry	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3214	New plant for the combustion of old tires	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3189	Reconstruction of cement mill 6	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3188	Restauration of the truck loading building	FARPUNIT Putz- u. Mörtelsysteme GmbH & Co. KG (Germany)
3172	New transport systems for slag and sand	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3167	Transfer of an existing mixing plant to France	E.Schwenk Zementwerke KG (Germany)
3153	New storage and preparation plant for old tires	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3130	New workshop for container reparation	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3099	New washing facilities for containers	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3098	Extension of the cement palletizing and delivery plant	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)

Info.	Project description	Customer
3097	Extension of the mortar mixing plant	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
3094	New central workshop	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3091	New cement silo group with truck loading facilities	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3082	New central workshop including depot	HeidelbergCement AG Cement Plant Lengfurt (Germany)
3075	New raw material transport system from quarry to plant	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3074	Restauraton of a cement mixing plant	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3057	New storage and dosing plant for waste-derived fuels	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3056	New storage and dosing plant for waste-derived fuels	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3054	Extension of the cement palletizing and delivery plant	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
3044	New storage and dosing plant for waste-derived fuels	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3021	Extension of the administration building	E.Schwenk Zementwerke KG Plant Gräfenberg (Germany)
3016	New storage and dosing facilities for hydrated lime	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
3011	New cement mixing plant including truck unloading and loading facilities	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
3005	New cement mixing plant including truck unloading and loading facilities	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
2992	Extension of the cement palletizing and delivery plant	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
2990	New mortar mixing plant including truck unloading and loading facilities	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
2980	New exhaust gas fan for clinker kiln 4	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
2978	Train unloading station and storage facilities for containers for waste-derived fuels	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
2972	Testing plant for the use of waste-derived fuels	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)

Info.	Project description	Customer
2958	Restauration of the cement palletizing and delivery plant	Industriebau Wernigerode GmbH (Germany)
2951	Infrastructural renovations all over the production plant	Sicowa Verfahrenstechnik für Baustoffe GmbH & Co. KG (Germany)
2942	Analysis of location sites for a new cement production plant in Indonesia	Ferrostaal AG (Germany)
2903	Static check of cement silo 4	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
2900	Plant development and building permission for a new cement production plant	Rheinische Kalsteinwerke GmbH Limestone Plant Flandersbach (Germany)
2880	Renovation of raw mill 6+7 including a new primary crusher	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
2879	Extension of the container storage area	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
2871	Reconstruction of preheater tower 4	E.Schwenk Zementwerke KG Cement Plant Allmendingen (Germany)
2870	New cement horror-mill	fcB Cement Industry Division (Tschech Republic)
2869	New administration building	E.Schwenk Zementwerke KG Cement Plant Bernburg (Germany)
2868	New mortar production plant	Sicowa Verfahrenstechnik für Baustoffe GmbH & Co. KG (Germany)
2865	Noise control at the existing cement mill	Rüdersdorfer Zement GmbH (Germany)
2863	New cement horror-mill	fcB Cement Industry Division (France)
2859	Cement mixing plant and storages	E.Schwenk Zementwerke KG Plant Glöthe (Germany)
2858	New silo group for sand	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
2857	Actualisation of the site plan and drawings for the fire department	Rüdersdorfer Zement GmbH (Germany)
2853	Reconstruction of the exhaust gas fan	E.Schwenk Zementwerke KG Cement Plant Mergelstetten (Germany)
2852	Extension of the cement palletizing and storage plant	E.Schwenk Zementwerke KG Plant Glöthe (Germany)
2842	New cement silo group with truck loading facilities	E.Schwenk Zementwerke KG Cement Plant Karlstadt (Germany)
