EMPACK Den Bosch

Ausstellung – Gorinchem, Niederlande

Bearbeitet von am 30. Nov. 2023

"Trade Fair for Packaging Technology, Materials & Services "

As a packaging trade fair, Empack has grown into the largest in the Benelux and will take place on April 9, 10 & 11 in Evenementenhal Gorinchem. In a dynamic and moving sector such as that of packaging technology, it pays to keep a finger on the pulse and to know which trends, problems and opportunities are current.

Empack offers you an extensive program to keep your knowledge up-to-date. Benefit from countless tips and tricks to boost your company with the advice of renowned speakers and specialists on the exhibition floor. Without a doubt, you will return to your workplace full of inspiration to apply your findings in practice.
