F Istanbul

Ausstellung – Bakırköy (İstanbul), Türkei

Bearbeitet von am 4. Dez. 2023

"The most comprehensive food & beverage products + processing & packaging technology exhibition in Türkiye!"

F Istanbul is the most comprehensive event in Türkiye covering entire industry: Food, Beverages, Processing, Ingredients, and Packaging. Türkiye is one of the most important food-producing and exporting countries in the center of a population of 2 billion and F Istanbul will address the entire region.

F Istanbul is serving not only to Turkish manufacturers but exporters in emerging manufacturing countries. F Istanbul is an event that will always be serving to create new business relations. F Istanbul enables its exhibitors' early access to verified buyers before the exhibition dates.
