"International Trade Fair & Conference for the Mining Industry"

Sweden, Nolia, and Georange welcome you to Euro Mine Expo, an international trade fair and conference for the mining industry and associated industries. Here, you will have an excellent opportunity to establish business contacts, and the chance to participate in the latest developments in the areas of technology, products and services.

This event is also the perfect place to exhibit your products and services, build networks, and participate in interesting seminars. Some of the most prestigious companies in the sector will be represented, and you have the chance to meet worldwide equipment suppliers, consulting and service companies, research scientists, investors, government authorities, and industry players.

Euro Mine Expo will be arranged every second year and has the objective of becoming the most attractive and important meeting point in Europe for the mining industry.
