

27. - 29. Jun. 2024

CIME - China (Beijing) International Mining Expo

Ausstellung – Shunyi Qu (Beijing Shi), China

Bearbeitet von am 6. Dez. 2023

"Sino-Foreign Mining Technology & Equipment Development Forum "

CIME has always kept up with the needs of market development and is committed to building a one-stop diversified service platform for high-quality brand promotion, trade cooperation, technical exchange and product sales. The new exhibition will create a new operation model, integrate high-quality resources, strengthen organizational strength, and bring the quality of the exhibition to a new level.

Welcome new and old friends in the mining industry at home and abroad to continue to pay attention to and support CIME, jointly promote the new development of the global mining industry, and write a new chapter!
