VICTAM ASIA

Conference & Trade Fair – Bang Na (Bangkok), Thailand

Edited by on 29. Nov. 2023

"South East Asia's Exhibition & Conference for the Animal & Aquatic Feed, Rice & Tapioca Production Industries "

VICTAM ASIA is firmly established as the event dedicated to the animal feed processing industry within Asia. Co-located with VICTAM Asia 2024 is Health & Nutrition, making this the total animal feed and health event organized by Victam and VIV. VICTAM Asia and Health & Nutrition is also home to GRAPAS Asia, the event for grain, rice and flour milling technology.

VICTAM Asia is the premier event for the sophisticated technology that is required in the processing and manufacture for the animal feed industry. The show also covers the important and very necessary ancillary equipment and systems that are utilized in a feed mill. VICTAM is also the event for ingredients and additives that are used within the formulation of safe and cost effective animal feeds.
