

INTERPHEX

16. - 18. Apr. 2024

INTERPHEX

Conference & Trade Fair – New York (NY), United States

Edited by on 30. Nov. 2023

"The Pharmaceutical Industry's Exposition and Conference "

Engineers, manufacturers, c-level executives and more—INTERPHEX unites the pharma and biotech ecosystems, composed of leading brands and professionals from around the world.

From development to distribution, INTERPHEX is THE leading global event that takes you through all stages of the pharmaceutical product development lifecycle. Carefully curated education sessions, tons of networking opportunities, and access to leading global suppliers is what helps make INTERPHEX a premier event in the pharmaceutical industry.
