MiningWorld Russia

Trade Fair – Krasnogorsk (Moskva), Russia

Edited by on 30. Nov. 2023

"Russia's leading Mining & Mineral Extraction Machinery, Equipment and Technology Event"

MiningWorld Russia is the an internationally-recognised trade show servicing the mining & mineral extraction industry. As a business platform, the exhibition connects equipment and technology manufacturers with buyers from Russian mining companies, mineral processors, and wholesalers interestd in buying the latest mining solutions.

For more than 27 years, the exhibition has been the most effective platform for direct contact between manufacturers and suppliers of machines and equipment for the mining industry with end-buyers - specialists from mining enterprises, mining and processing plants and wholesale trading companies.
