World of Concrete

Conference & Trade Fair – Las Vegas (NV), United States

Edited by on 1. Dec. 2023

"International Exposition & Conference on Construction "

World of Concrete is the industry's only annual international event dedicated to commercial concrete and masonry construction industries. Featuring indoor and outdoor exhibits with the industry's leading suppliers showcasing innovative products and technologies, exciting demonstrations and competitions and world-class education program.

World of Concrete has been serving the global concrete & masonry construction industries for 50 years. We connect and educate buyers and sellers through live and digital events throughout the year, facilitated via worldofconcrete.com, and WOC360. Our goal is to provide this important community with the connections, intelligence, and opportunities that help customers grow, do business, and make better informed business decisions
