"International Exhibition of Equipment for the Civil Engineering and Construction Industries"

A show that brings together all everyone in the Construction and Civil Works sector, an industry of excellence, around one and the same vision for the future.

INTERMAT Paris 2024 is the must-attend event for the building and civil engineering sector. Decarbonization will be the key theme of this year's event, which will be organized around 4 key themes: innovation, energy, new equations and CSR commitments. Take a look at what's in store for you next spring, from April 24 to 27, 2024 at Paris Nord Villepinte.
