

26. - 28. Sep. 2023

## **Powtech 2023**

Conference – Nürnberg, Germany

Edited by on 24. Jan. 2023

"International Processing Trade Fair for Powder, Bulk Solids, Fluids and Liquids"

The bulk solids and conveyor technology industry will come together from 26 - 28 September 2023 in the halls of the Nuremberg Exhibition Centre. POWTECH is Europe's leading trade fair for mechanical process engineering and bulk solids technology. Established businesses and innovative start-ups alike use the event to present a broad spectrum of technological solutions for producing, processing and handling powders, granulates, fluids, liquids and bulk goods.

Importantly, POWTECH 2023 highlights industry-specific trends in conveyor technology and mechanical process engineering, providing a compact but comprehensive insight into the latest developments. The trade fair acts as a platform for countless exhibitors and visitors, allowing them to discuss dispensing systems, process engineering, screening technology and much more.
