Powtech 2022

Trade Fair – Nürnberg, Germany

Edited by on 10. Aug. 2022

"Leading Trade Fair for Powder & Bulk Solids Processing and Analytics"

POWTECH is the world's undisputed number one for powder, granule and bulk solids technologies. It reflects the current state of the art in mechanical processing technologies and instrumentation – and so provides a unique overview for a variety of industries from glass, building materials and paper to pharmaceuticals, chemicals and food.

Analysing, size reduction, screening, mixing, conveying, dosing and compacting – mechanical processing technology is full of dynamic processes. At POWTECH you find a broad spectrum of products and solutions tailored to your needs as an expert:

- Basic processing technologies for powder and bulk material
- Plant engineering and processing components
- Packaging and filling
- Measurement, control, automation
- Nano particle technologies
- Safety and environmental technologies
- QC, QA and QM
- Services

You are looking for a particular exhibitor at POWTECH or would like to find out about their products in advance? The entries in our exhibitor and product search correspond to the registration status for POWTECH 2019.
