Size Reduction Specialist Franklin Miller Inc. honored for 100th Anniversary

Edited by on 12. Jul. 2018

Livingston (NJ), United States -

William Galanty, President of Franklin Miller and Jake Galanty, General Manager were presented with a proclamation by Edward Meinhardt, mayor of Livingston as well as Al Anthony, Livingston's deputy mayor.

Franklin Miller is an American original that proudly manufactures its products in the USA. The company started as a manufacturer ice cream freezers and ice crushers in East Orange, NJ and has grown over the years into a modern manufacturer with equipment sales worldwide. Its crushers, shredders, wastewater grinders and screens are used in the environmental field as well as in industrial applications such as chemicals, food manufacturing and minerals.
