Bedeschi to supply Pipe Conveyors and Shiploader to Medcem Cement

Edited by on 22. Jun. 2023

Limena (PD), Italy -

The long-standing cooperation between Bedeschi and Medcem Cement continues. In the last month the company has been awarded for the supply of 4 pipe conveyors and one shiploader to handle clinker and cement.

The supply is part of the new expansion project of Yesilovacik Terminal which will involve the extension of the current dock of the port and the installation of the

new Bedeschi machines.

The shiploader SHL 26/1400 will handle cement and clinker at a capacity of 1350 t/h while the 4 lines of pipe conveyors will have a total length of 1 Km with a capacity of 1000 t/h for cement and 1350 t/h for clinker.

The new supply will be similar to the shiploader already supplied to Yesilovacik on the image below.
